These two trails take you on a voyage of discovery around the many green spaces and secret outdoor spots in Vauxhall. On the map we have highlighted places for children to play and enjoy Nature, places to grow food and places to eat. We hope it enables you to connect with your local community and get growing!

Incredible Edible Lambeth is a network of food growers, food entrepreneurs and food activists who are working to improve our communities.

Our motto is 'If you eat, you're in' ... it's that simple, everyone can get involved with us - join our network today by signing up to become a member at www.incredibleediblelambeth.org/join.

Membership is free and you will immediately be linked in with hundreds of other growers, green spaces, allotments, gardens, parks and more throughout the borough.
